

Mongolian ant species list¹

69 species of 17 genera of ants

**Martin Pfeiffer, Roland Schultz, Alexander Radchenko, Seiki Yamane,
Michal Woyciechowski, Aibek Ulykpan, Bernhard Seifert**

Updated 20.1.2006

Scientific name

Camponotus japonicus Mayr, 1866
Camponotus herculeanus sachalinensis Forel, 1904
Camponotus saxatilis Ruzsky, 1895
Camponotus turkestanus André, 1882
Cardiocondyla koshewnikovi Ruzsky, 1902
Cataglyphis aenescens (Nylander, 1849)
Crematogaster subdentata Mayr, 1877
Dolichoderus sibiricus Emery, 1889
Formica aquilonia Yarrow, 1955
Formica candida Smith, 1878
Formica clara Forel, 1886
Formica clarissima Emery, 1925
Formica cunicularia Latreille, 1798
Formica exsecta Nylander, 1846
Formica forsslundi Lohmander, 1949
Formica japonica Motschoulsky, 1866
Formica kozlovi Dlussky, 1965
Formica lemani Bondroit, 1917
Formica lugubris Zetterstedt, 1838
Formica manchu Wheeler, 1929
Formica pisarskii Dlussky, 1964
Formica pratensis Retzius, 1783
Formica pressilabris Nylander, 1846
Formica sanguinea Latreille, 1798
Formica subpilosa Ruzsky, 1902
Formica truncorum Fabricius, 1804
Formica uralensis Ruzsky, 1895
Harpagoxenus zaisanicus Pisarski, 19632
Lasius distinguendus (Emery, 1916)
Lasius flavus (Fabricius, 1781)
Lasius gebaueri Seifert, 1992
Lasius niger (Linnaeus, 1758)
Lasius przewalskii Ruzsky, 1915
Leptothorax acervorum (Fabricius, 1793)
Leptothorax muscorum (Nylander, 1846)
Messor aciculatus (Smith, 1874)
Messor excursionis Ruzsky, 1905

¹ Based on the paper: Pfeiffer M, Schultz R, Radchenko A, Yamane S, Woyciechowski M, Ulykpan A, Seifert B (in press) A critical checklist of the ants of Mongolia (Hymenoptera /Formicidae). *Bonner Zoologische Beiträge*

² This species is on the red list of Mongolia (<http://www.redlist.org>).

Myrmica angulinodis Ruzsky, 1905
Myrmica arnoldii Dlussky, 1963
Myrmica commarginata Ruzsky, 1905
Myrmica divergens Karavaiev, 1931
Myrmica eidmanni Menozzi, 1930
Myrmica forcipata Karavaiev, 1931
Myrmica kamtschatica Kupyanskaya, 1986
Myrmica kasczenkoi Ruzsky, 1905
Myrmica koreana Elmes, Radchenko & Kim 2001
Myrmica pisarskii Radchenko, 1994
Myrmica rubra (Linnaeus, 1758)
Myrmica ruginodis Nylander, 1846
Myrmica sulcinodis Nylander, 1846
Myrmica taediosa Bolton, 1995
Plagiolepis manczshurica Ruzsky, 1905
Polyergus nigerrimus Marikovsky, 1963
Proformica buddhaensis Ruzsky, 1915
Proformica coriacea Kuznetsov-Ugamsky, 1927
Proformica jacoti (Wheeler, 1923)
Proformica kaszabi Dlussky, 1969
Proformica mongolica (Emery, 1901)
Tapinoma orthocephalum Stitz, 19343
Tapinoma sinense Emery, 1925
Temnothorax kaszabi (Pisarski, 1969)
Temnothorax melleus (Forel, 1904)
Temnothorax mongolicus (Pisarski, 1969)
Temnothorax nassanowi (Ruzsky, 1895)
Temnothorax serviculus (Ruzsky, 1902)
Tetramorium armatum Santschi, 1927
Tetramorium concaviceps Bursakov, 1984
Tetramorium inerme Mayr, 1877
Tetramorium tsushima Emery, 1925

³ This species has been reported from South Mongolia, but it is unclear whether this place is now in the Peoples Republic of China.
